

# 263 Optical Cable

## Overview

The Vertical Cable 263-LCLC/7MM is a high-quality 7-meter OM3 multimode duplex fiber optic patch cable, designed for superior performance in high-speed data communication networks. This cable is ideal for environments that demand efficient data transfer, such as data centers and enterprise network. Plugs of other colors are available as special orders, minimum order quantity - 100 plugs of each color. \* When polished following industry's best practices. Please Use the "ADD TO QUOTE BUTTON" or. We offer the highest quality, most economically priced static shield packaging available. With 40% light transparency, it allows for easy identification of IC's (integrated circuits) and PCB's (printed circuit boards). The extremely durable buried metal construction gives Faraday Cage performance needed. Pasternack's PE3FCA263-25M fiber optic breakout cord is a robust and versatile fiber optic cable assembly designed for high-performance data transmission in various environments. Our aqua blue fiber optic cable. Part Number # 263-OFC02-1BZ01 (Fiber Optic Connectors) is manufactured by Vertical Cable and distributed by Worldictown. Being one of the leading electronics distributors, we carry many kinds of electronic components from some of the world's top class manufacturers.
