

# Custom-made Norwegian cable trays directly from the factory

## Overview

In our modern, flexible machine park, we can customize and produce exactly the wire trays needed for each unique project. Don't let standard measurements limit you! Our standard range is often sufficient and always available in stock, therefore we can always offer fast. Our cable tray systems are tailored to meet the needs of your project, ensuring easy installation and reliable support for your cables. Discover the benefits of each system to make an informed decision tailored to your specific application. Nordic Wire Tray becomes Nordic Wire Tray. This precision minimizes wasted space, optimizes cable management, and ensures a neat and organized installation. Our cable trays are produced in fit for purpose materials like stainless steel, galvanized, aluminium and fibreglass (FRP/GRP) composites to suit any project type both offshore and onshore.
