

# Optical Module 1330

## Overview

10-Gigabit WDM/Bidi Singlemode SFP+ module from manufacturer Conexpro with wavelength (Tx/Rx) 1330/1270nm, speed 10 Gbps, equipped with one LC connector with UPC grinding and is intended for a distance of 10 km. FS 10GBASE-BX SFP+ 1330nm-TX/1270nm-RX 40km Transceiver - FS. com Europe FS EuropeFREE SHIPPING on Orders Over EUR 79 VAT excl. Germany HomeOptical Transceivers10/25/40/100G. \*Images are for illustrative purposes. Actual product appearance and specifications may vary. Your results may vary due to several external and environmental factors. The OH-BD-12G-1330-LC 12G SDI bidirectional optical transceiver is available as an integrated (pre-assembled) or plug-in option for select Lynx Technik yellobrik, greenMachine and Series 5000 products. This module provides universal compatibility, which means that it is able to work with. 20km fiber SFP module 10G 1330 modules Conforming to the Small Form Factor Pluggable (SFP) Multisource Agreement, these SFP+ transceivers are designed expressly for high- speed duplex PON communication applications that require 10 Gbps data rates, with the laser transmission portion of the device. Our 10G BiDi SFP+ 20km transceiver operates with Tx1330nm/Rx1270nm wavelengths for single-fiber bidirectional transmission. Paired with 20A variant, this 10G BiDi module provides 9 dB link budget over 20km single-mode fiber.
