

# Russian Hat-Style Connector Box Brand

## Overview

Hitech Russian Series are of threaded - coupled connector designed to meet the operating requirements of Indian Defense Standard, Joint Services Specifications JSS 50860, approved by Electronics Components Standardization Organization (LCSO). Founded in Ukraine in 2015 and now represented internationally, Ruslan Baginskiy is built on the belief that craft is a language — one that carries identity, heritage, and innovation across categories. Rooted in Ukrainian artisanal traditions and informed by global culture, the brand explores ideas. The Russian brand “IEK” is engaged in placing orders from manufacturers, it itself as a manufacturer does not participate in import, but as a trademark it occupies a very solid 3% share in imports according to the codes of Table 1. This is several times higher than that.
