

# Syria Fire-Resistant Cable Tray Price Quote

## Overview

• Galvanized steel construction with powder-coated finish options • Standard 50-pound load capacity with fire-resistant coatings available • Pricing ranges \$4-7 per foot with volume discounts for large installations • Best suited for manufacturing facilities and commercial buildings

• Galvanized steel construction with powder-coated finish options • Standard 50-pound load capacity with fire-resistant coatings available • Pricing ranges \$4-7 per foot with volume discounts for large installations • Best suited for manufacturing facilities and commercial buildings

According to our latest research, the global fire resistant cable tray market size reached USD 2.34 billion in 2024, demonstrating robust momentum driven by stringent fire safety regulations and increasing infrastructure investments worldwide. The market is forecasted to grow at a CAGR of 7. A fire-resistant cable tray is a critical component in modern electrical infrastructure, designed to support, organize, and protect power, control, and communication cables. Middle East projects expose cable tray systems to extreme ambient temperatures, intense solar radiation, dust, and—often—coastal corrosion. The correct choice must balance fire endurance with long-term durability and. ABB designs and manufactures cable tray systems, including perforated tray, cable ladder, channel tray and strut (metal framing), directly from production facilities in Canada and Saudi Arabia. Combining local manufacture and distribution with an extensive product range, these facilities ensure we. NewReach specializes in fire-rated cable trays that are carefully designed to endure high temperatures and prevent the spread of flames. These cable trays are essential for protecting electrical and communication systems during a fire, ensuring that important services such as emergency lighting. We are the leading suppliers of Cable Tray & SS Gratings, GRP / FRP Grating Products in Morocco and all type of Cable Tray products we supply in S...
